To all of us, the name Bourke Corcoran is one never to be forgotten. After experiencing his loss this year, we, as a school and also as a class, have learned many invaluable lessons. He taught us how to laugh, how to win an argument, and how to get a point across. But most importantly, Bourke taught us what it was like to be a true and loyal friend. For it is this unique and special quality that continues to linger on in our memories today.

It is for these lifetime lessons that we, the Class of 1999, are dedicating the yearbook to Bourke Corcoran, our forever friend.

The Skippers' Log/ Fall 1998

Reporter: Shaun Galvin **Writer: Brad Powell**

A Glorious Season

Under the guidance of new coach, Tony Rolfe, the Skippers were able to finish the season at 5-5, despite some tough losses. Led by 12 seniors and senior co-captains Justin Golden and J.P. Laugelle, the Skippers made a major turnaround from the past. An exciting sophomore, Dan Trowers, led the winning attack with 19 touchdowns and averaged 150 yards a game. The glorious season was capped off by a 14-0 victory over Hull, the the first victory over Hull since 1987. Hopefully, the Skippers can remain focused for next season and keep the winning tradition alive.

Tournament within reach in '99

There were moderate expectations for the field hockey team in 1998, and yet they surprised most by posting a 5-6-4 record and missing the tournament by one game. Coach Debby Bostwick was behind the bench for her 10th year as the team took to the field with enthusiasm and spunk. Senior co-captains Megan Connolly and Jill Magner brought talent and experience to the squad and the sophomore duo of Maggie O'Connor and Andy Shaughnessy led the team in points. One highlight of the season was the 1-0 victory over East Bridgewater in the final 30 seconds. With new young talent arriving next year, the Skipper field hockey team looks promising and fit to make the tourney.

"Determination" is the motto of this team

The '98 Boys' Soccer season promised to be a successful one, with 11 returning seniors led by co-captains Andrew Laney and Mark Equi. Yet the record didn't mirror the great talent and determination that this special team showed. In spite of their struggles, the phenomenal goal-keeping of Kevin DeVito and pure talent of South Shore All-Star Steve Sceery kept the Skippers in every game. Though the record was a disappointment, the future looks bright with the talent and experience of five juniors moving up to senior status.

NewCoach/NewConfidence

New coach Debbie Beal guided the Girls' Soccer team to greater heights. The team, led by Alyssa MacNamara and Caitlin O'Neil, as well as surprising sophomore sensation Catherine Flaherty who led the team in points, kept the Skippers competitive throughout the season. These leaders and the entire team supplied the winning confidence needed to finish every game hard. There are high expectations for the '99 season with the return of 7 seniors-to-be and a great deal of young talent.

Thanks to the Fall Cheerleaders for their boundless energy & spirit!

The Skippers' Log/ Winter 1998/1999

Reporter: Shaun Galvin **Writer: Brad Powell**

Tough Competition on the Court

The Boys' Basketball team competed in a tough league this year. Although the four seniors, led by Capts. Alex Russell and Jamie DeMichele, shone in the 4-0 start to the season, the losses that they experienced never dampened their enthusiasm. A high point was when Jamie DeMichele was selected to the All-Star team and scored 10 points in the contest. As always, the team has new young talent moving up to lead the way next season.

Freshman Goaltender fights Back

The Hockey team returned to varsity status this season, with 7 seniors led by Capts. Andy Curran and Ted Goff. Freshman goaltender Chris Caron bravely went between the pipes for the squad and fought to keep the Skippers in every game, while talented players, like Ryan Hubley, Heath Heinz and Pete Whoriskey, kept the hockey program afloat for this winter season.

Six Seniors at the Helm of Girls' B-ball

Six seniors skippered the Girls'Basketball team this season. Under their leadership, the team missed the tournament by one game, while suffering a heartbreaking loss to Hull in triple overtime. Capt. Alyssa McNamara was the leading scorer and was selected for the All-Star game. With the graduation of these seniors, a very young team will compete for Cohasset next season.

Cohasset and Norwell Combine for Gymnastics

The Gymnastics squad, led by Seniors Tara Hettstrom and Lauren Genovese, was combined with Norwell for the '98-'99 season, and posted a 6-5 record. Young talented All-Stars, Carlie Carter and Kristin Sheerin, are the bright future for the team. One highlight of the season was Kristin Sheerin's 8.0 on the balance beam, the highest score in Cohasset history. The future holds great promise for this young team.

Swim Team Rebuilds in '98-'99 Season

After losing many graduating seniors, the Swim team's goal was rebuilding. However, one highlight of this season was Chris Golden's sweep in every event against North Quincy. Returning stars, Chris Golden, Kate Stone, and Jen Meehan hold the key to a successful season next year.

Wrestling Champs Make CHS Proud

Success is written all over the '98-'99 Wrestling season. Seven seniors led the experienced Skippers to a 15-2 season, The best record in Cohasset wrestling history. The team won the South Shore Championship and the Sectionals. Six wrestlers made it to the states. Although seven seniors will graduate, the wrestling team's future is still bright.

Thanks to the Winter Cheerleaders for their rousing enthusiasm & support!

If

If you can keep your head when all about you
  Are losing theirs and blaming it on you,
If you can trust yourself when all men doubt you
  But make allowance for their doubting too,
If you can wait and not be tired by waiting,
  Or, being lied about, don't deal in lies,
Or, being hated, don't give way to hating
  And yet don't look too good, nor talk too wise,

If you can dream-and not make dreams your master;
  If you can think-and not make thoughts your aim;
If you can meet with triumph and disaster
  And treat those two impostors just the same;
If you can bear to hear the truth you've spoken
  Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to broken,
  And stoop and build 'em up with wornout tools;

If you can make one heap of all your winnings
  And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
  And never breathe a word about your loss;
If you can force your heart and nerve and sinew
  To serve your turn long after they are gone,
And so hold on when there is nothing in you
  Except the Will which says to them: "Hold on",

If you can talk with crowds and keep your virtue,
  Or walk with kings-nor lose the common touch,
If neither foes nor loving friends can hurt you;
  If all men count with you, but none too much;

If you can fill the unforgiving minute
  With sixty seconds' worth of distance run-
Yours is the Earth and all that's in it,
  And-which is more-you'll be a Man, my son!

SUCCESS

To laugh often and much; to win the respect of intelligent people and affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty, to find the best in others; to leave the world a little bit better, whether by a healthy child, a garden patch or a redeemed social condition; to know even one life has breathed easier because you have lived. This is to have succeeded.

-Ralph Waldo Emerson-

Love forever & always,
Mom, Dad, Becky and Chris
